030-0250 Paddle Handle With Inside Release Lever

The 030-0250 Paddle Handle incorporates the basic material and concepts used in the 030-0200 Paddle Handle.

- Inside release lever eliminates much of the linkage typically required with conventional inside handles
- Operator can exit even if the door is locked from the outside
- Optional pivot plates available for your particular application
- Nylon paddle axle bushing and pivot plate thrust washers
