

West Alloy

090-7100 Over-centre Window Stay

This over-centre T-handle style window hold-open is designed for top and side hinged venting windows and roof lights for on and off-highway vehicles. It is available with over-centre design (fully closed/fully open) or detented arm to position the window at intermediate positions and with or without a quick release pin.

DESIGNED FOR:

- Top and side hinged windows, roof lights and quarter light vents for on and off-highway vehicles
- Suitable for glass and steel structure mounting
